Metzler S H

February 14th, 1918

Dean H. H. Metzler,

Syracuse, N.Y.

My dear Dean Metzler:

I have to thank you very sincerely and heartily for the cheque for $182.94 which you have been so kind as to send for use by our Hospital Unit. It is very generous of you to do this and I will hand it over to the Treasurer.

The action of the United States and the public utterances of the President are very encouraging. At this time we need all our combined efforts. I am sure that you yourself must feel very much better satisfied and must be rejoicing in the stronger feeling of unity that is bringing our people together. With kind regards to the Toronto people and any other Canadians I know on your staff.

I am,

Yours sincerely,

President.
